Rivermont Orchids

SIGNAL MOUNTAIN,

TENNESSEE

Rivermont's Budget Purchase Plan enables you to buy your orchids now and pay on convenient monthly terms. Rivermont will ship your plants and you can enjoy watching them grow while you make your payments. No interest is charged for this service, nor are there any hidden charges included in the prices of our plants. Budget customers pay exactly the same price as cash customers. You are welcome to carry more than one budget contract at one time, if you desire, paying separately on each contract, or making regular payments on your total with Rivermont. Take advantage of this unusual offer by ordering any quantity you desire from our current listings!

Complete your contract application in duplicate and include your check for 25% of the total purchase price, letting us know how many months you desire to pay the balance. It may be necessary for us to reduce the total amount of your order if we cannot completely fill your request. We will then set up your final contract and return a copy to you.
